

Strength In Numbers Foundation Walk For Autism Vendor Application

Strength In Numbers Foundation needs vendors like you!

Strength In Numbers Foundation will be hosting our 3rd Annual Walk For Autism Event April 19th 2024. The location is Ardmore High School Noble Stadium. We welcome you to come and provide your services and goods to help bring awareness, educate, and advocate for Autism Awareness & Acceptance Month.

This year there is a \$50.00 vendor fee and you must have insurance for your business as well in order to participate in the event. If you have insurance we will need a copy of your Insurance Certification. If you do not have insurance for your business you can contact Charolette Williams at Insurance Solutions and she can quote you a policy for the day of the event.

We look forward to having your business there to provide your goods and services to help make this event a reality. If you could fill out the information below we would greatly appreciate it!

For event information you can contact me directly at 405-795-7769 or email at Marchelloanderson.sinf@gmail.com

Name of Business: _____
