

2nd Annual Walk For Autism Lap Pledge

To make this event a success, we need the support of generous people/businesses like you! We are asking participants of the event to pledge \$5.00 per lap. You can walk individually, as a family or group, split laps between family, friends, or co-workers, or pledge your dollar amount and ask volunteers to walk laps for the pledge amount. These donations will be applied to community resources, learning activities, social functions, sensory input and supporting the routine and transitions of what works best for a child or an adult with Autism.

Your generosity means the world to us and any amount would help! Below you will find our pledge/lap amount and please provide your personal/business info.

For event information you can contact me directly at 405-795-7769 or email at Marchelloanderson.sinf@gmail.com
